

Leather cleaner & conditioner

CLOVER 
CHEMICALS LTD
'Effective Cleaning Chemicals'
www.cloverchemicals.com

For use on leather items
Furniture, Seats, Chairs & Saddles

USES

A water based cleaner for leather. Removes dirt from the pores of leather. For use on saddles & horse tack, armchairs, seats and furniture surfaces.

Areas of use:

Equine, Hotels, schools, pubs, bars, restaurants, automotive, ships and boats.

DIRECTIONS

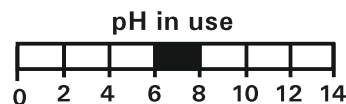

Apply a little Leather Cleaner to a clean soft non dusty cloth.
Use Circular movements of the cloth to clean the surface.
Do not exert pressure on the surfaces.
The cloth will absorb the dirt as it is loosened. As the cloth becomes soiled, use another clean area of the cloth. Gently wipe the surface dry.

DILUTIONS

Use Undiluted.

Code: 452
