

# ZIPPERLESS BAG, IMPROVED DEBRIS REDUCTION AND INCREASED SUCTION POWER

**NEW  
DESIGN!**

## **Rear wheel drive**

Gets you through debris easily and helps on sloped lawns or uneven terrain

## **Designed for rugged use**

Collect pinecones, leaves, grass clippings, bottles, cans, cigarette butts and more, all while moving forward at a comfortable walking speed.

## **New zipperless bag**

Makes unloading debris easier than ever

(KV650SPH model shown  
with optional hose kit)

# Features and Specifications

- Simplicity in design - Easy to use with low maintenance requirements
- Five-blade steel impeller - Higher suction power with debris reducing razors for greater debris reduction
- 6.5 HP Honda or 6.0 HP B & S engine - Professional duty with suction to spare
- Optional shredder screen - Reduces the bulk of leaves even further (dry conditions only)
- Don't forget the optional on board hose kit - It really makes the vacuum more versatile on the job

**New  
Zipperless  
Bag With  
Integral  
Dust Skirt!**

**All New Bag Design** Zipperless bag features commercial grade nautical fasteners for easy unloading.

**Rear Wheel Drive** As the bag fills, weight is transferred to the rear wheels providing greater traction.

**12" Wheels** Helps maneuvering in tight spaces and rolling through thick leaves.
