Heart shape Surface Cleaner

The choice of perfection

ST-2605 **LTF**

We recommend using the gun ST-2605 with our patented LTF technology

unique: 3 variable rotary swivel bars with two spray nozzles each!

low vibration:
balanced rotor arms in robust quality with high cleaning effect.

adapted: ergonomic handle

clean solution: the integrated screen filter prevents that the nozzles get dirty

The turbodevil heart shape surface cleaner for professional cleaning applications for large areas

- high-quality stainless steel version with lance holder at the push handle
- working width 1,200 mm
- 6 nozzles 1/4" M BSP are required
- precisely calculated spraying angle for a best possible extensive cleaning with 30 - 60 l/min. at 5 - 90 °C
- 2 big industrial castors ø 380 mm and 1 double guide roll ø 160 mm
- max. temperature: 90 °C
- min. pressure: 150 bar
max. pressure: 350 bar

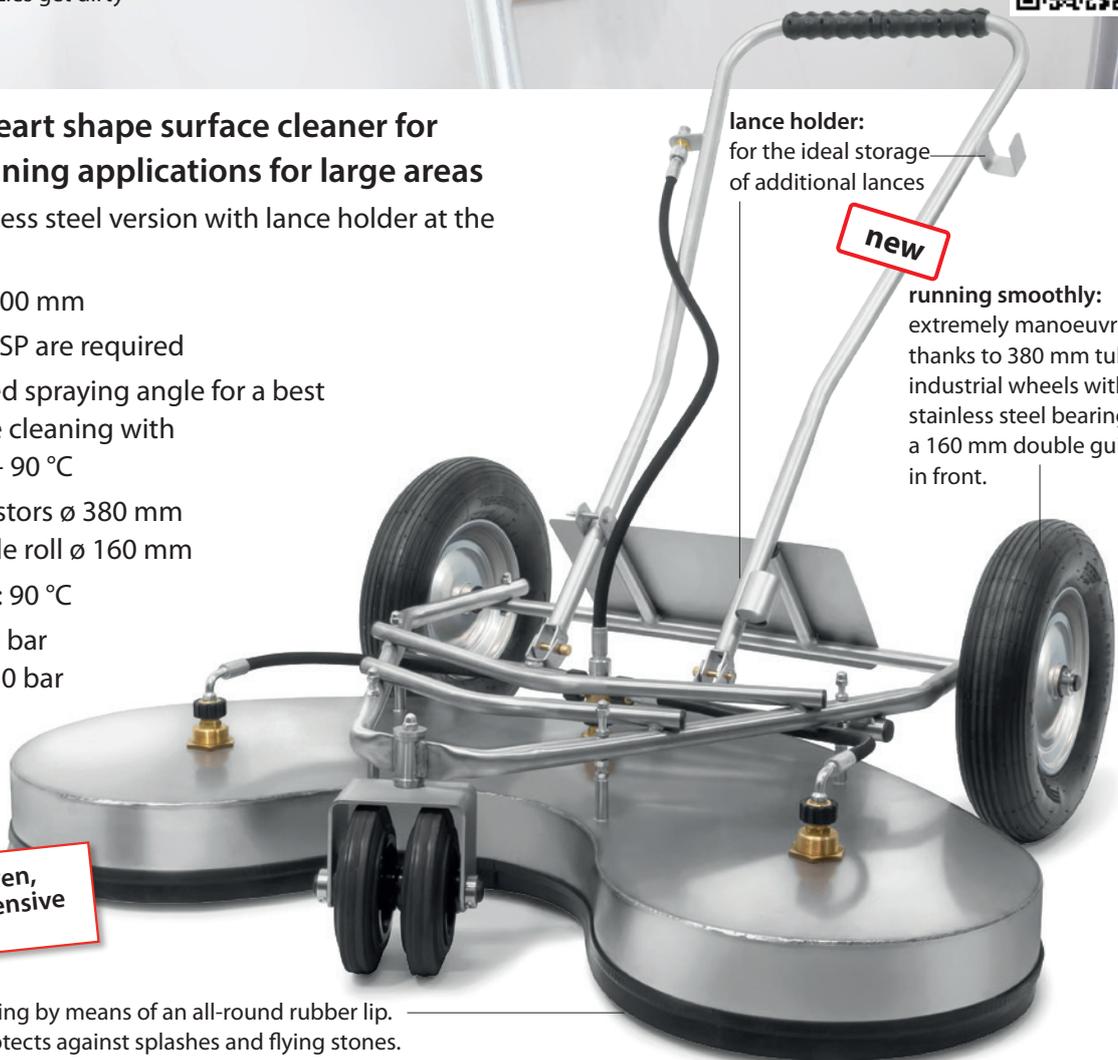

lance holder:
for the ideal storage of additional lances

new

running smoothly:
extremely manoeuvrable, thanks to 380 mm tubeless industrial wheels with stainless steel bearings and a 160 mm double guide roll in front.

guarantees an even, streak-free and intensive cleaning

splash guard: safe handling by means of an all-round rubber lip. This heat-resistant lip protects against splashes and flying stones.

| R+M Nr. | units / pallet | castors ø | working width | inlet | outlet | pressure | temperature | weight |
|-------------|----------------|----------------------|---------------|--------|------------|--------------|-------------|--------|
| 710 100 122 | 2 | 2 x 380 + 1 x 160 mm | 1,200 mm | 1/4" F | 6 x 1/4" F | max. 350 bar | 90 °C | 44 kg |

Version: 11_2020

Heart shape Surface Cleaner

The choice of perfection

corrosion resistant:
stainless steel

gun connection:
1/4" F with mounting
on the guide bracket.

sturdy design:
thanks to double swivel castors,
the heart shape surface cleaner
is very manoeuvrable.

hot water application up to 90° C: High efficiency due to the large housing,
which keeps the heat for a long time. Especially suitable for greasy floor dirt.

ultra wide application!

folded: low space
requirement with folded
guide bracket. Simply
release the bolts with
the spring clip.

working width: at 1,200 mm, the heart cleaner is very suitable for large
areas. Versatile application also on concrete and asphalt floors for play-
grounds and sports facilities, garages and even wooden decks.
