

AMBER

FRAGRANT MULTI SURFACE CLEANER

- **Cleans effectively, leaving a lasting fragrance**
- **Contains L-Cryst © Technology**
- **pH neutral cleaner**

A neutral multi surface cleaner with a long lasting fragrance. Amber is a pH neutral cleaner for all water washable surfaces.

Keep your surfaces clean and fresh with L-Cryst © technology.

USES

Suitable for use on marble, terrazzo, anti-slip and textured floors, laminate flooring, metallised polish, ceramic tiles, aluminium, stainless steel and other water washable surfaces.

Amber is the ideal versatile cleaner for schools, hotels, offices, washrooms, leisure centres, etc.

DIRECTIONS

General Surface Cleaning:

Spray lightly onto the surface and remove with a clean wipe (cotton/microfibre/paper).

Floor Cleaning:

Spray lightly onto the floor and remove with a mop or microfibre pad.

Rinse the mop or microfibre pad in a bucket of clean water to remove soilage during the floor cleaning process.

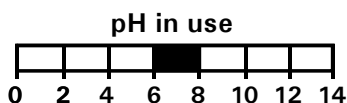

DILUTIONS

Use Undiluted.
